

**Town of Trinity
Heritage Area
Application**

The Town of Trinity has received an application to do some exterior work at 15 Taverner,s Path. This work will consist of removal and relocation of the utility shed; removal of existing extension and replacement with a larger extension which will incorporate windows on the west and south sides plus a set of French doors; removal of patio door and replace with a window; install 2 windows on the north facing exterior wall.

Any person/persons with concerns regarding the proposed renovation work must do so in writing and be received at the Town Office on or before January 05, 2011 at 1:00 p.m.

Documents may be viewed at the Town Office during regular office hours.
