

SPRING CLEAN UP

May 19 to 22, 2009

It's that time again to get rid of those things that have been collecting up all year long. Spring clean up will be from May 19 to 22, 2009. All items must be placed as close to the road as possible without creating a hazard to drivers and must be out by 8:00 a.m. The contractor will start at the beginning of Goose Cove by Keith Woolridge's at 8:00 a.m. and will work his way around to Trinity.

The contractor will not be responsible for taking hazardous materials such as tires, batteries, etc., and absolutely **NO GRASS**. Items must be able to be handled by two people.

If at 8:00 a.m. you do not have your garbage out and the contractor has already passed he will not be back on that day to pick it up.

The contractor will not be responsible for hauling away any construction or demolition refuse from sheds, garages, houses, buildings, etc., that are under construction or renovation. Clean-up of job sites are the responsibility of the contractor and/or property owner.
