

Residents of Trinity, Goose Cove, Dunfield, Trouty, Old Bonaventure & New Bonaventure

Trinity & Area Volunteer Fire Dept.

- The Trinity & Area Volunteer Fire Department would like to inform the public that the new Equipment Carrier is now in operation and thanks you for the support shown during the events and fundraisers that were held to make this very worthwhile purchase for fire protection in our communities.
- This is wood burning season and the fire department reminds everyone to please keep their chimneys clean and to check and replace batteries in their smoke alarms.
- On January 21, the Port Rexton & Area and Trinity & Area Volunteer Fire Dept's along with the Towns of Port Rexton and Trinity signed a Fire Protection Mutual Aid Agreement. This agreement formalizes what was already taking place in that both Dept's were back-up for each other in case of emergencies. This agreement now means that both Dept's will dispatch to any point within Trinity Bight firefighting equipment and personnel if deemed necessary. In addition both Dept's will now begin some joint training which will be beneficial to all members and enhance the fire protection services for our residents. This has been a great step forward towards working together more in cooperation between both Dept's and they are to be congratulated on this work.
- The Trinity & Area Volunteer Fire Department are always seeking new volunteers to join the Department. Individuals must be eighteen years of age. Please contact the Fire Chief or any member of the Fire Department to express interest in joining and/or drop by the Fire Hall any Thursday night.

Targa NL

Targa Newfoundland will be coming to the Trinity Bight area (Trinity, Goose Cove, Dunfield, Trouty, Old Bonaventure, New Bonaventure, Port Rexton and Champney's Arm) on Wednesday, September 18, 2013. At this time we are seeking volunteers to help out with this event in various areas, training to be provided. If you are interested in volunteering that day please call 464-3836 or email CouncilTrinity@netscape.net and leave your name and telephone number. As the event gets closer more details will be made available. Thank you.
