Spring Clean Up

It's that time again to get rid of those things that have been collecting up all year long. **Spring Clean Up** will take place on **May 27th and 28th** as well as on **June 3rd and 4th**. All items must be placed as close to the road as possible without creating a hazard to drivers and must be out by 8:00 a.m. The contractor will start at the beginning of Goose Cove by Keith Woolridge's at 8:00 a.m. on May 27th and will work his way around to Trinity.

The contractor will not be responsible for taking hazardous materials such as tires, batteries, etc., and absolutely **NO GRASS**. Items must be able to be handled by two people.

If at 8:00 a.m. you do not have your garbage out and the contractor has already passed he will not be back on that day to pick it up.

The garbage contractor will not be responsible for hauling away any construction or demolition refuse from sheds, garages, houses, buildings, etc. that

are under construction or renovation. Clean-up of job sites are the responsibility of the contractor and/or property owner.

No household garbage will be collected on clean up days, this garbage will be collected on its regular day, Monday.

A friendly reminder that absolutely **no grass** will be collected during regular household garbage collection this summer. Please keep your lawn mowed regularly so the clippings can remain on the lawn and not in garbage bags.

At this time we would also like to remind residents to please cover their garbage, either in containers, a garbage box, or place some type of covering over loose bags to avoid having to clean up bags that have been destroyed by animals.

Roaming Dogs

A reminder to please try and keep your dogs on your own property as citizens who walk, children and visitors, can be intimidated by large dogs. Your

animals are your responsibility so please try and keep them as close to home as possible.

Note from the Fire Chief

Fred Goldsworthy would like to remind everyone that **open fires are prohibited** as of May 1, 2008.

Canada Day

Canada Day celebrations will take place on July 1st, at 11:00 a.m., in the field near the Parish Hall.

Council has its regular monthly meetings at 7:00 p.m. on the first Monday of every month. If you have
